Note: Not all products may be available in all regions of the world.

These elegant portable drives are simple to use, light and easy to carry, and require no power adapter—they are powered directly through the USB cable.* Works with Windows® and Mac®. Comes with sync & encryption and Google™ software.

Product Features

Easy – Installation is a snap because you don't really "install" this drive; you just plug it in and it's ready to use. There is no CD to install; the included software loads from the drive the first time you plug it in.

Smart – Powered by the USB bus. No separate power supply is needed.*

Big capacity that fits in your pocket – This compact drive fits easily in your pocket or purse, weighs only a few ounces and with capacities up to 320 GB, you can take tons of photos, videos, files and music with you wherever you go.

Synchronized and secure – WD Sync™ synchronization and encryption software lets you take your critical data with you. Plug My Passport™ into any PC, edit files, read e-mail, and view photos. Then sync all of your changes back to your home or office computer. Your data is protected with 128-bit encryption (*Windows only*).

Includes Google software – Search your drive, manage your photos, and simplify Web searches with included Google software (*Windows only*).

Compatible – Use with Windows and Macintosh® computers.

**An optional cable is available for the few systems that limit bus power.*

Applications

- Pack up your office files and take them home.
- Carry thousands of songs or pictures.
- Synchronize files between home and office and encrypt everything on the drive for added security.

Compatibility

Windows

- Available USB port
- Windows 2000/XP/Vista

Macintosh

- Available USB port
- Mac OS® X 10.4.8 or later

Note: Compatibility may vary depending on user's hardware configuration and operating system.
